 20 Act—

21 (1) any duly designated member of an inspec-

10 charge of the premises to be inspected, except that failure
11 to receive a notice shall not be a bar to the conduct of
12 an inspection. The notice shall be submitted to the owner
13 and to the operator, occupant or agent in charge as soon
14 as possible after the United States National Authority re-
15 ceives it from the Technical Secretariat. The notice shall

11 the provisions of the Chemical Weapons Convention, each
12 inspection shall be commenced and completed with reason-

6 (2) Facility agreements shall be concluded for
7 plants, plant sites, or other facilities or locations

16 order in accordance with paragraph (3); or

17 (B) after a court in an action brought
18 under paragraph (3) has entered a final judg-
